

## **Financial report 2015**

This year we made a total profit of around EUR 28k, with the FOSSGIS conference earning EUR 34k. We had about EUR 10k in donations, 65% of which were earmarked for OSM. We got EUR 6k in membership fees which is the expected amount for our membership base. We managed to spend EUR 13k on community projects, a considerable part of this are hack weekends run at the Linux hotel.

We had about EUR 115k of assets at the end of 2015.
